

TJP Auto Parts

About Us

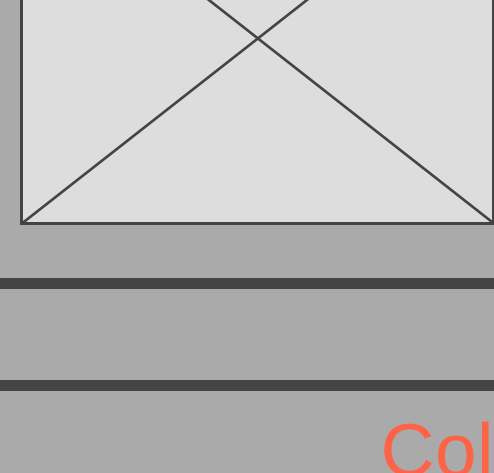

TJP Auto Parts began when a teenage boy discovered his passion for cars. Over the past 25 years we have grown to become the leading online retailer offering access to over a million parts. We are a market leader in performance parts for your BMW, Audi, Ford, or Lexus.

Performance Parts

Are you looking to hop up your car to add acceleration, improve handling, or braking? Let TJP Auto Part's expert mechanics guide you to get the best performance out of your vehicle. We have the most extensive catalog for aftermarket and performance parts for your ride. You can be certain we offer the best parts at great prices for domestic, European, and Japanese vehicles.

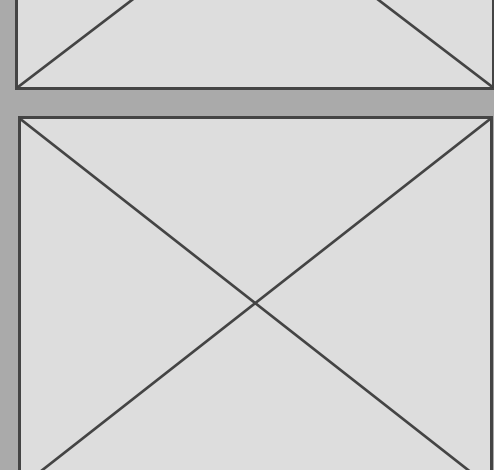

Turbos

Increase the performance of your vehicle with a bigger turbo. Get ready for big power numbers.
